

Dear Players and Parents.

On behalf of the Board of Directors of Wills Park Youth Baseball Association, welcome to the 2010 Dizzy Dean 12 Year Old State Tournament. Wills Park and the city of Alpharetta, Georgia are very excited to have this opportunity to host and look forward to sharing our hospitality.

Baseball is such a great sport made even greater by the purity of the game at this level. The players taking the field over the next few days do so with hope and aspiration built on a foundation of hard work and determination; a desire to succeed, a desire to do well for parents, team and self. And we all know as parents and as coaches, that as long as the effort is true, success is achieved, and not marked merely by the outcome on the scoreboard.

We hope you have fun, enjoy your time at Wills Park and in Alpharetta, enjoy these moments with your family and friends and please don't hesitate to let us know how we can make your experience better.

Once again, welcome!!!

Sincerely,

A handwritten signature in black ink, which appears to read "William Lusby, Jr.", is positioned below the "Sincerely," text.
